

# STANDBY VIRTUAL DESKTOPS

LOW MONTHLY FEE

## BUSINESS CONTINUITY NOT DISASTER RECOVERY™

As businesses struggle to stay on all the time TetherView has developed a Business Continuity Solution that is non-disruptive and proven to work.

## HERE'S HOW IT WORKS

TetherView is providing virtual desktops on standby always ready to perform. At the time of need simply use any device (really any device) and access your TetherView Virtual Desktop which has been setup with all your applications, data (data charges may apply), email and business software. It is that simple.

## PRICING

Simple flat monthly price based on the number of users and recovery time objectives. This service may only be purchased via an authorized reseller.

- ✓ No Setup Fees
- ✓ Security
- ✓ Compliance
- ✓ Comprehensive
- ✓ Private Cloud
- ✓ Cost Effective
- ✓ Mobility

---

TetherView provides the best contract in the industry. After a client signs our agreement and provides a fully refundable deposit TetherView will build the custom production environment for the end user. Prior to going into production if the client is not satisfied for any reason the client may terminate the agreement and request a full refund of the deposit.
